

MISSIONARIES BEHIND THE SCENES

The GFA home team deeply yearns to see multitudes in Asia come to the Lord. God has specially called each team member to work behind the scenes, serving the native missionaries as well as the Body of Christ in the West. More than a job, it is a ministry—with prayer at its heart—that touches eternity.

The home team staff:

- ▶ Processes missionary sponsorships
- ▶ Communicates with ministry partners nationwide
- ▶ Raises awareness of GFA among churches
- ▶ Fills orders for missions-related materials

Each staff person is a **VITAL LINK** to the mission field.

MISSION FIELD

Your GFA office is the connection between the native missionaries on the field in Asia and believers in your country.

You can help change lives

Every day, thousands of Gospel for Asia native missionaries share Christ with men and women—the unreached waiting to hear. Supporting these workers are thousands of sponsors who give and pray. How do these missionaries and sponsors stay connected?

> Through GFA's home team.

Play a part in God's powerful work in Asia. Support a home team worker.

- ▶ Multiply your donations for the kingdom as each home team member enables hundreds of native missionaries to share Christ.
- ▶ By meeting the needs of one of these "home front" missionaries, you are helping the mission field!
- ▶ Fulfill the Great Commission as you help reach untold multitudes with the Gospel.
- ▶ Connect personally to nations dear to the heart of the Father.

Through your home staff member, you will be reaching a lost world.

How do I support a home team member?

Supporting a GFA home team missionary is simple. You can give by automatic payment, by cheque, or through internet banking.

Please also pray regularly for the person you support. Like the native missionaries, our home staff members are targets of spiritual attack aimed at hindering God's work. They are grateful for your prayers and encouragement.

You will receive regular newsletters from your home team members, updating you on their life and work.

FREQUENTLY ASKED QUESTIONS

Tell me more about GFA.

- ▶ Thousands of missionaries are bringing the love of Jesus to their people
- ▶ Dozens of Bible colleges are preparing future missionaries
- ▶ Hundreds of radio broadcasts are reaching millions in their languages
- ▶ GFA reaches out through literature, film, slum ministries. To learn more visit: www.gfaau.org

Why do staff members raise support?

GFA sends 100 percent of funds donated for missionaries and ministry projects to the mission field; nothing is deducted for administration expenses. Support-raising enables the needs of the home staff to be met at no expense to the mission field.

I'm thinking of supporting a native missionary in Asia instead. After all, aren't they the ones doing the frontline work?

Yes, native missionaries do the hands-on evangelism and discipleship on the field. But in the task to bring the hope of Jesus to lost millions, the home team is essential for victory.

Yes, I'll help support the home team members.

I want to team up with the Australian Home Team to support the work of native missionaries in Asia.

I will prayerfully support you with \$ _____

one time gift monthly annually

I would like to donate using my credit card (Mastercard / Visa).

Print name as it appears on card _____
